## AUDIO SCRIPT (with answer key for optional gap-fill)

**Bedroom 1.** There is a bed on the left side of the picture, and there is a stuffed toy on the bed. (1) **Next to** the bed, there is a small table with a lamp on it. (2) **Across from** the bed, on the other side of the bedroom, is a television. There are two windows in the room, and (3) **you can see** a small bookshelf in front of one of the windows. One of the windows might be open. I hope the bird doesn't fly into the room. There is also a large plant in a corner of the room.

**Bedroom 2.** In this picture, the bed is (4) **on the right side** of the bedroom, and the TV is on the left. On one side of the bed, there is a lamp and on the other side there is a chair. Across from the bed there is a plant hanging from the ceiling. (5) **Below** the plant there is a bookshelf. There is also a mouse or a rat in the middle of the floor.

**Bedroom 3.** In this bedroom, the bed is on the left, and there is a book on the bed. There is a nightstand next to the bed, and there is a cup on it. (6) **In the middle** of the room, on the floor, you can see a cat sleeping. Behind the cat there is a small fridge, and there are two windows. There isn't a TV, but there is a chair (7) **in the corner**.

**Bedroom 4.** Wow, this bedroom looks really messy! It looks a little like my room, but, well, my room isn't quite this messy! There is a computer next to the bed, and on the bed, there is a pizza slice, some dirty socks, and a soccer ball. There is a large bookshelf (8) **opposite** the bed, and there are lots of books everywhere. I guess that this is a student's bedroom.
